Information

Discover the magnificent Princess 75 HT 2018 yacht, a true marvel of naval engineering that combines elegance, performance and absolute luxury. With its graceful fiberglass (GRP) hull and contemporary design, this yacht offers an unrivalled sailing experience.

The Princess 75 HT 2018 is a jewel of technology, equipped with two powerful engines (2 x 1723 hp CATERPILLAR C32) that will enable you to sail in complete serenity, whether you want to explore exotic destinations or simply enjoy a day at sea. Its high-performance propulsion system guarantees exceptional cruising speed and unrivalled maneuverability.

On board, the 2018 Princess 75 HT offers luxurious comfort at every turn. Its refined interior harmoniously combines precious woodwork, sumptuous leathers and top-quality finishes. Spacious, light-filled living spaces, carefully appointed, invite relaxation and conviviality.

This yacht features a host of amenities to keep you entertained and relaxed. Its generous flybridge is the ideal place to bask in the sun while enjoying breathtaking panoramic views. The integrated swim platform provides easy access to the water, and water sports equipment adds a touch of adventure to your days at sea.

This yacht has been meticulously maintained and is in perfect condition. With only 800 hours of sailing under her belt, she offers a unique opportunity to acquire an exceptional vessel at an attractive price.

Don't miss this opportunity to own the yacht of your dreams. Contact us today to arrange a visit aboard the Princess 75 HT 2018 and let yourself be seduced by her majestic allure and high-end amenities. Your dream voyage begins here.
